
Get Well Corey

Posted by cladd1981 - 2008/12/01 15:32

Good Luck Corey and I hope you get better soon. Go Timberwolves.

Corey,

I know I read that this whole process has been very difficult on you, but that story is getting to be pretty old. I'd be interested to hear how you think things are going now.

There are tons of folks that are believers in you, Corey, and are looking forward to seeing you back in the action next year.
