
Jersey Shirt?

Posted by saudagg - 2010/02/06 21:43

Hey all,

I might have this in the wrong spot, but does anyone know if Corey Brewer jersey t-shirts are available? I live out of state so can't make it to Target Center to look and can only find jerseys online. Since I think jerseys on adult fans are kinda silly looking, I'd like to find a t-shirt to support my favorite Wolf! Any luck?

Thanks,

saudagg

PS. Go Corey! You rock!
